

EXECUTIVE OFFICE OF THE PRESIDENT

OFFICE OF DEFENSE MOBILIZATION

WASHINGTON 25, D. C.

7 30 1956

Honorable Allen W. Dulles
Director
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Dulles:

Prior to Operation Alert 1956, the Interagency Communicators Advisory Committee was formed to develop plans and procedures for the test exercise. The original membership for this committee was limited to those agencies that had professional communicators on their staff in order that immediate advantage could be taken of their experience.

Close coordination among all key mobilization agencies having relocation communication responsibility is desirable in the further development of the emergency communications. It is believed that expansion of the membership of this committee will be mutually advantageous in effecting coordinated planning and development. Therefore, it is requested that you designate a member of your staff to represent your agency on this committee. I shall appreciate being advised of the name of your designee prior to our next meeting.

Attached is a copy of the agenda for the next meeting to be held on Thursday, December 13, 1956, at 10:00 A.M. in room 159 of the Executive Office Building.

Sincerely yours,

Incl

M. H. Silverthorn
